# MEMORANDUM FOR THE MINISTER

# Approval for Overspending Hospitality

# ISSUE

Your approval is sought in relation to hospitality costs that exceed the maximum per capita for a meeting of the Coordinating Committee of Senior Officials—Youth Justice (CCSO-YJ), held in Toronto on March 17, 2016.

### BACKGROUND

The CCSO-YJ serves as a forum for on-going monitoring and discussion of legislation and interjurisdictional youth justice policies, programs and other issues. It meets in person once a year, with additional meetings or teleconferences as required.

The most recent in-person meeting of CCSO-YJ took place on March 17, 2016, in Toronto. This event had been previously approved as part of the Travel, Hospitality, Conference, and Event Expenditures (THCEE) 2015-2016 (Annex 1, item 18b), but did not include hospitality as the dates, location, and other details were not known at the time. When the Federal-Provincial-Territorial Working Group on Youth Justice Cost-Sharing and Programs—which shares many of its members with CCSO-YJ—decided it would meet at The Fairmont Royal York in Toronto on March 15-16, 2016, it was agreed that the CCSO-YJ meeting would take place the next day at the same venue in order to save costs.

It was proposed that hospitality in the form of health breaks be provided for the CCSO-YJ meeting on March 17, both to mirror the hospitality being provided by the Working Group and to allow members an opportunity to network during the breaks rather than seek refreshments elsewhere on the hotel premises. In January 2016, approval was sought and obtained from the Senior Assistant Deputy Minister, through a THCEE one-off (Annex 2), for the hospitality expenditures in relation to this meeting, estimated at \$700 based on a quote from the Fairmont Royal York Hotel. At the time the quote was provided, the actual number of participants was not known and so the estimate was done based on the CCSO-YJ membership.

s.21(1)(a)

The order for health breaks was confirmed one week before the meeting. At that time, 23 participants had confirmed their participation.

In the end, there were 21 participants in attendance (in-person) for the March 17 meeting. The final invoice from the hotel for the health breaks amounted to \$698.70 (Annex 3). While within the approved hospitality costs (\$700), this amount exceeds the

Page 1 of 2

maximum per capita allowed under TBS hospitality guidelines of \$12.41 per health break (breakfast allowance of  $16.55 \times 0.5 \times 1.5$ ); \$20.19 was spent for the morning break and \$13.08 was spent for afternoon break.

CONSIDERATIONS s.21(1)(a)

The approval of hospitality costs that exceed the per capita allowed under TBS hospitality guidelines requires ministerial approval. Approval is required as soon as possible as this expense was paid using a corporate credit card on April 3, 2016 (Annex 4).

# RECOMMENDATION

It is recommended that you approve the hospitality costs of \$698.70 for the CCSO-YJ meeting held in Toronto March 17, 2016.

# MEMORANDUM TO THE SENIOR ASSISTANT DEPUTY MINISTER

Hospitality Expenditure (THCEE) One-Off Request: Approval for hospitality for the in-person Meeting of the FPT Coordinating Committee of Senior Officials – Youth

Justice in Toronto on March 17, 2016.

(FOR APPROVAL)

# **SUMMARY**

- The next in-person meeting of the Coordinating Committee of Senior Officials Youth Justice (CCSO-YJ) is scheduled to take place in Toronto on March 17, 2016.
- Although that meeting was previously approved as part of the THCEE 2015-2016 (see Annex B), approval is now sought for hospitality expenditures which had not been anticipated at the time. The hospitality costs, which are estimated at \$700, require Senior Assistant Deputy Minister-level approval.

DO YOU APPROVE under the Expenditure Initiation Authority and Certified pursuant to Section 32 of the *Financial Administration Act*? Please also sign the THCEE form (Annex A) under Section 8.

### **BACKGROUND OF THCEE ACTIVITY**

The Coordinating Committee of Senior Officials – Youth Justice (CCSO-YJ) serves as a forum for on-going monitoring and discussion of legislation and inter-jurisdictional youth justice policies, programs and other issues. It meets in person once a year, with additional meetings or teleconferences as required.

The most recent CCSO-YJ teleconference was held on January 6, 2016 where it was agreed that the next in-person meeting would take place on March 17, 2016, in Toronto. The next in-person meeting was previously approved as part of the THCEE 2015-2016 (see item 18b), although the dates, location and other details were not known at the time. Part of the reasons for holding the next in-person meeting in Toronto on March 17, 2016 is to take advantage of the fact that the FPT WG on Youth Justice Cost-Sharing and Programs is also meeting in Toronto on March 15-16, 2016. Further, there will be a joint meeting of CCSO-YJ and the FPT WG on Youth Justice Cost-Sharing and Programs on the afternoon of March 16, 2017. Both meetings will be held at The Fairmont Royal York in Toronto. Because hospitality will be offered during the meeting of the FPT WG on Youth Justice Cost-Sharing and Programs (including the joint meeting with CCSO-YJ), it is proposed that similar hospitality (in the form of health breaks) be provided to participants for the CCSO-YJ meeting on March 17.

# **KEY CONSIDERATIONS / OPTIONS**

- 1. The meeting on March 17, 2016 is an all-day meeting and it is proposed that two fifteen minute health breaks be provided in the conference room. This would allow members an opportunity to network during the breaks rather than seek refreshments elsewhere on the hotel premises.
- 2. The estimated cost for hospitality (two health breaks) is \$700. Such hospitality requires Senior Assistant Deputy Minister-level approval.

### FINANCIAL IMPLICATIONS

1. The hospitality estimate respects all the rules, directives and guidelines related to THCEE.
